

TLS EARTHQUAKE KIT CONTENTS

Each student at Trinity Lutheran School is required to have the following earthquake kit in their classroom, filled with the items noted below. Please be sure to follow all directions or the kits will be returned to you for replacement. Send kits on the first day of school.

PACKAGING

FIT everything into a one-gallon ziplock bag. Plan the size of your purchases accordingly!

Purchase nothing that requires a can opener!

Put your child's name in large print on a 3x5 note card and place it inside the bag, with the name facing out. FIT everything

PURCHASES

Six cans or packages of drink --

☒ Fruit juice; Gatorade; etc.

Three containers of protein --

- ☒ Tuna; sausage; spam; hash; chicken; etc.
- ☒ Pop top or pull open or unscrew containers only
- ☒ No glass jars
- Six snack foods --
- ☒ Granola bars in wrappers; wrapped beef sticks; can of fruit or pudding; etc.
- ☒ No chocolate to melt
- ☒ Pop top cans or pull open packages only
- ☒ Nothing salty -- water will be at a premium

GENERAL GUIDELINES

- ☒ Watch expiration dates
- ☒ Select only foods your child will actually eat
- ☒ Purchase nothing that requires an opener or is packed in glass
- ☒ Purchase nothing that will crumble (crackers, cookies, chips)

FOR YOUR INFORMATION:

Each classroom's kits will be packed in a large trash can stored in the classroom. Picture your child's kit on the bottom of this can with everyone else's on top, and purchase items in containers which will withstand such weight for a year.

Send your kit in on the opening day of school. It will be returned on the final day of school.
